An assistance coordinator will ask for your name, the UnitedHealthcare Global ID number shown on your card, and a description of your situation. **If the condition is an emergency, you should go immediately to the nearest physician or hospital without delay and then contact the 24-hour Emergency Response Center.** We will then take the appropriate action to assist you and monitor your care until the situation is resolved.

Payments arranged by UnitedHealthcare Global: Most Physicians and hospitals will provide you with the necessary medical treatment and will either send their bill directly to UnitedHealthcare Global, or in the case of small dollar amounts, may ask you to pay at time services are rendered. Ask the hospital or Physician to contact UnitedHealthcare Global. UnitedHealthcare Global will confirm your protection plan coverage and arrange for prompt payments if possible and where allowed. You will be asked to pay for any items not covered by your plan.

Advance Payment: If You require admission to a Hospital or treatment at a clinic, We will arrange advance payment (directly to the provider) necessary for Your admission to a Hospital because of a covered Injury or Sickness, up to the Maximum Benefit Amount shown in the Schedule of Benefits, provided You agree to reimburse Us if it is determined that Your Medical Expense claim is not covered.

We reserve the right to deny a request for advance payment if We confirm that Your claim is not covered under the policy. An advance payment made by Us is not a guarantee that Your Medical Expense claims are covered.

These benefit(s) will not duplicate any other benefits payable under the policy or any coverage(s) attached to the policy.

Payments made by You: If you are required to pay for medical treatment, obtain a signed receipt and a signed statement by a Physician describing the problem and the treatment. To initiate a claim for reimbursement, please contact:

Other Insurance with the Company:

1. You may be covered under only one travel Policy with the Company for each Trip. If You are covered under more than one such Policy, You may select the coverage that is to remain in effect. In the event of death, the selection will be made by the beneficiary or estate. Premiums paid will be refunded for the duplicate coverage that does not remain in effect.
2. The following will apply if there is a valid claim or claims under multiple Policies with the Company for each Trip. If any claim(s) has been paid under any Policy that will not remain in effect because of the selection described in paragraph 1. of this provision, You will refund to the Company any amount paid to You under each Policy that will not remain in effect that exceeds the premium paid for that Policy. If the amount of the claim paid to You under each such Policy does not exceed the premium paid, then the Company will refund to You an amount that is the difference between the premium paid to the Company and the claim paid to You for each Policy that will not remain in effect. This will cause You to receive an amount from the Company that is equal to the premium that You paid for each Policy that will not remain in effect. You will then be paid under the Policy that remains in effect.

VIII. SECTION VI. GENERAL PROVISIONS, the following is added:

Conflicting Excess Insurance Provisions: The following applies only if You are covered for the same loss under multiple policies of insurance or indemnity, including the Policy. If the Policy contains a provision indicating that it provides benefits for Your loss in excess of all other valid and collectible policies of insurance or indemnity, and You are also covered by one or more other valid and collectible policies of insurance or indemnity for the same loss, and these other policies contain clauses that are irreconcilable to this, then in accordance with Georgia law, all of these clauses shall cancel each other out, and the liability for the loss will be divided equally between the Company and the other insurer(s).
